Caution Clearing Driveways Do Not Push Snow Across Roads!

DO NOT push the snow across the road when clearing your approach from snow fall!

The movement of snow across a roadway can often leave ridges, ruts or piles of snow that become dangerous and could cause damage to the motoring public; you, the landowner, could be held liable.

When plowing out your own driveway or having a private contractor plow, the snow **MUST** be pushed back onto your property or to the right side of the approach and must be pushed away from the driving lanes, **NOT** across the road into the opposite ditch. This allows the grader operator to lessen the amount of snow left at driveway entrances.

Thank you for cooperation in helping to maintain safe roads for everyone!

Temporary Road Closure Effective Immediately

Range Road 204 (828 meters) between SE 8-57-20-W4, SW 9-57-20-W4, NE 5-57-20-W4 and NW 4-57-20-W4 (properties owned by 543077 Alberta Ltd c/o Sil Industrial Minerals).

This road is temporarily closed for maintenance, operational efficiencies, and to improve safety at the plant site.

Access to Emergency Services and Sil Industrial personnel only.

To view a map of the closure, visit www.lamontcounty.ca. For more information please contact Lamont County Director of Public Works, Gordon Molnar, at 780-895-2547.

Business License Renewals

A friendly reminder that business licenses issued in 2019 expired on December 31 and need to be renewed!

A business license is only \$30, and all Lamont County business license holders are entitled to inclusion in the online business directory, as well as free advertising in the inFocus on request. If you do not renew your license, these benefits will be revoked, so renew today!

For more information contact the Planning & Development Department at 780-895-2233.

Get Your Environmental Farm Plan!

Environmental stewardship is important in agriculture and to the end-user of agricultural products. Therefore, in order to be eligible for some grant funding through the Canadian Agricultural Partnership (CAP) programs, an updated Environmental Farm Plan (EFP) is required.

An EFP is a voluntary, whole farm, self-assessment tool that helps producers identify and mitigate their environmental risks.

If you are interested in completing an EFP, Lamont County Agricultural Services can help. Please call Lindsay at 780-895-2585 or email lindsay.b@lamontcounty.ca.

For more information contact Lamont County Agricultural Services Department or go to www.albertaefp.com.

Rural Address Sign Survey

PLEASE NOTE: Lamont County is currently conducting surveys on rural address signs throughout the County. Staff will be stopping at the entrances of driveways in a marked Lamont County vehicle and taking pictures.

This project will be on-going for several months. Please contact the Agricultural Services department at 780-895-2585 with any questions.

Snow Angels Volunteers Needed in Lamont

SNOW ANGELS PROGRAM

FCSS Lamont County Region is looking for volunteers for this winter who are willing to help people within the community who are unable to get outside and clear their own sidewalks and driveways of snow.

Volunteers can be adults and school age children or why not make it a family affair.

There is no exercise better for the heart than reaching down lifting people up.

Please contact us right away if you would like to join this program.

If you are interested in joining the program please contact FCSS Lamont County Region at 780-895-2233 Ext. 226
