## Pigeon Lake North Intermunicipal Development Plan Bylaw 273

Pursuant to the *Municipal Government Act*, R.S.A. 2000, c. M-26, as amended, Sections 230, 606, and 692, the Council of the Summer Village of Golden Days hereby gives notice of its intention to adopt:

### *Bylaw No. 273 Pigeon Lake North Intermunicipal Development Plan*

The purpose of Bylaw 273 is to adopt an **Intermunicipal Development Plan (IDP)** between the County of Wetaskiwin No. 10, the Summer Village of Argentia Beach, the Summer Village of Golden Days, and the Summer Village of Silver Beach.

The IDP is high-level planning document that guides long-term land use planning for lands within the County of Wetaskiwin and the Summer Villages of Argentia Beach, Golden Days, and Silver Beach. The IDP also provides direction for other land management practices and development policies within these municipalities. The IDP:

1. includes information about the history and current demographics of the communities;
2. includes mapping information to reflect the municipal boundaries and identifies areas with known development constraints;
3. identifies preferred future land use areas for agricultural and rural development, residential development, commercial and industrial development, parks and recreation, public utilities, and rural conservation and watershed protection areas;
4. establishes high level land use and land management goals and objectives;
5. identifies triggers for when the participating municipalities will require the preparation and approval of an Area Structure Plan or Outline Plan/Development Concept Plan;
6. establishes policies affecting existing and planned development, Municipal Reserve allocation, development in environmentally sensitive areas, and development of infrastructure and transportation systems;
7. establishes a policy which requires developers to be responsible for infrastructure costs associated with new development;
8. identifies a dispute resolution process for resolving intermunicipal disputes.
