Principles of Resource Sharing Among Alberta Public Libraries

Inclusions List

November 2007

The Inclusions List represents those categories of material that resource sharing partners will and will not lend, due to restricted access, heavy local demand, limited availability or the fragile nature of the material.

Definition of library resources: *Libraries Regulation:* Section 1(c): means any material, regardless of format, that is held in a library's collection and includes books, periodicals, audio recordings, video recordings, projected media, paintings, drawings, photographs, micromaterials, toys and games, kits, CD-ROMs and electronic databases.

Definition of resource sharing: *Libraries Regulation:* Section 1 (e): means making available to other libraries the library resources owned by a board, the information contained in those resources and the staff expertise required to locate and make available the information or the library resources.
