

COUNTY OF ST. PAUL NO. 19

BALANCING RURAL HERITAGE WITH A DIVERSE ECONOMY

POLICY OBJECTIVE:

The County of St. Paul desires to provide for the safety of the employees and to prevent breakdown of equipment due to extreme cold weather.

POLICY STATEMENT:

- 1) Public works maintenance equipment shall not be mobilized in extremely cold weather except in cases of emergency.
- 2) Motor graders and other equipment shall not be mobilized if the outside temperature is minus 35 degrees Celsius or lower or a wind chill factor of minus 40 degrees Celsius or lower.
- 3) In cases of emergency or severe storms, the Superintendent of Public Works, or designate, may mobilize any equipment required at his discretion.
