Communities in Bloom Update

Thank You to Peter Polischuk for cultivating at the tree farm.

We are very excited that we will soon have a permanent parade float and thank you to:

- Sister Eugenia for accepting a trade of labour for the trailer
- Denis Ell for installing a new hitch and flag poles
- Charlie Gargus for donating the labour for the trade and rebuilding the bed of the trailer
- Town crew for supplying space and mounting the watering can

The Community garden continues to thrive. Plan to come out and be part of the garden plots next year, there is nothing better than fresh picked vegetables and you don't need to have a green thumb.

With everyone doing their part to keep their yards looking neat and tidy, the Town looks great! Give yourselves a pat on the back citizens of Mundare!

Our next meeting is August 20th, p.m. in the Town Council Chambers, everyone is welcome.
