

Millet in Bloom offers a special opportunity to dedicate a beautiful rose bush.

Our education program offers individuals and groups a unique way to add to the beauty of the District while paying tribute to the people that have touched and shaped their lives.

Planting a rose bush is a special and lasting way to celebrate and remember the lives of loved ones. Honor your loved one with a gift that recognizes unshakable love, commitment, trust and perseverance.

Millet in Bloom purchase and plant the rose bush.

The names of those remembered and those who are remembering are added to the plaque in the garden.

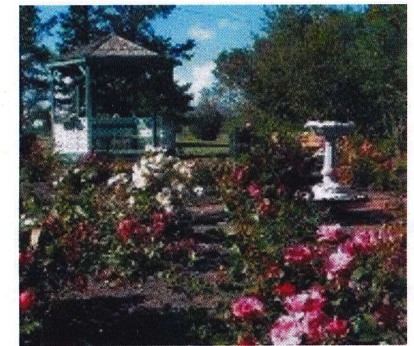

** Please note that rose bushes are not available for planting during certain times of the year.*
