

Have you ever thought about taking a Boating Course?

You have your Operator Card, now get the Essentials and Cruise with Confidence. If you want to learn more about coastal cruising, these courses may be of interest.

Courses are held during the fall and winter months in Edmonton. The Maritime VHF-DSC Radio course could be held at Pigeon Lake if there is enough interest.

- Boating Essentials / Basic Boating
- Seamanship
- Advanced Piloting
- Fundamentals of Weather
- RADAR for pleasure craft
- Maritime VHF-DSC Radio
- Electronic Navigation
