

Mayor, Rob Lorenson; CAO, Teri Pelletier; Fortis Alberta Stakeholder Relation Manager, Rick Burden

The Town of Millet would like to thank Fortis Alberta for their generous donation of an AED, which has been placed in the Millet Community Hall. Rick Burden was in Town to perform in the Annual Harvest Fair Parade (with the ETS Pipe and Drum Band) this past weekend, and was able to stop by for a quick picture. The Town enjoys a strong relationship with Fortis Alberta and together we are looking toward the future.

PS... Still wondering what Rick was wearing under his kilt????
