                                 components of the program including: Vegetation management, Public  
                                 Education and Emergency Planning.

*CARRIED*

**COUNCIL REPORTS:**

Mayor and Councillors reported on the various committees and meetings they attended and projects being worked on.

South side is continuing to work on the sewer system.

APLM In-Lake Technical Committee – receiving support from PLWA & Chris Teichreb.

PLWMP – using Community involvement to receive input and working on developing the watershed management plan.

Future consideration: Consider ways to naturally dam up the springs that run through the Summer Village. This would give it time to be filtered before entering the lake, as during big storms the water is cloudy. Be an example of what can be done in other Summer Villages to naturally improve storm water management.

**ADMINISTRATIVE MATTERS:****C.A.O. Boyda – Development Permit Status**

Council agreed to accept this correspondence as information.

**C.A.O. Boyda – Alberta Summer Villages Association 2013 Conference**

Council agreed to accept this correspondence as information.
