Read full digital copies of your favorite magazines on a computer, tablet, or mobile device using the free Zinio Reader app!

HERE'S  
HOW

## Create Accounts, Browse and Subscribe

Using the library's free Zinio magazine subscription service requires the creation of two accounts—a library Zinio account to view the library's collection and a free Zinio.com account to read magazines online or via the Zinio Reader app on your mobile device. Follow these steps to create both accounts:

(Note: You must use the same email address for both accounts.)

### Create a library Zinio Collection account

1. Go to the library's Zinio Collection page. Browse the collection and click on a magazine to check out.
2. If you haven't already created an account, click **CREATE AN ACCOUNT**. Enter the required information and click **SUBMIT**.
3. Once your library collection account is validated, click **CONFIRM CHECK OUT**.
4. Your magazine is now checked out and available to read in your Zinio.com account.

### Create a free Zinio.com account to start reading

5. After checking out your magazine, a Zinio.com window will open and prompt you to log in.
6. If you are new to Zinio.com, click **CREATE AN ACCOUNT**. Enter the required information and click **SUBMIT**.
7. Your personal reading account is now activated and your magazine is available in the **YOUR LIBRARY** tab on Zinio.com.

### Install the Zinio Reader App\*

Visit your device's app store to download and install the free Zinio Reader app. Note: Use the Zinio app only to read your magazines. Browse and check out new issues of library magazines using a Web browser.

\* Zinio Reader app compatibility includes PC, Mac, iPad®, iPhone®, Android™, Kindle Fire™/Fire™ HD, BlackBerry®, Windows 8, and Nook® HD/HD+.

## Read Your Magazines

Follow these steps to read your magazines using your device's browser or the Zinio Reader app.

### Using the browser on your computer or smart device

After checking out a magazine, click the cover image to open it for reading.

- Some magazines require the Zinio Reader app. If your device is not app-compatible, those titles will not be available on your device.
- Mobile devices with small screens may cause slow loading or prevent loading of content altogether.

### Using the Zinio Reader app on your computer or smart device

After checking out a magazine using a Web browser, open the Zinio Reader app, sign in to your Zinio.com account, find your magazine and start reading.

## Checking Out Additional Library Collection Magazines
